## Description

The deep indigo-blue field running to near black at the top is like a night sky and the spontaneity of symbols scattered throughout the field appear lit up like stars glowing in the dark! This very finely-knotted rug was made in the Shirvan area of the eastern Caucasus circa 1900-1910 and with its low-cropped pile, it is in very good condition. A truly unique and beautiful rug. Size: 1.60m x 1.22m (5' 3" x 4' 0").
