Description

This hugely stylish Art Deco cocktail cabinet hospitality cabinet is a fantastic piece of Art Deco furniture, and it's internal features prove to be an incredibly appealing feature. The top area offers plenty of storage for various sized glasses and bottles and the bottom cupboard offers further storage for bottled drinks. The beautifully presented burr walnut top has a superb pattern of grain. When the fall is pulled down it also activates the top which raises into an upright position, and the two are connected to one another by chrome brackets. All of the fittings remain properly secured within the cabinet when the fall is opened and shut, and it's reverse side is mirrored to stop any spillage from harming the lining. The back is also mirrored, and contributes furthermore to the overall appeal of this piece. The cupboard doors continue to exhibit fantastic burr walnut graining, while another pair of typically Art Deco handles are fitted, as is a working lock with key. The condition is excellent having been through our workshops and restored. Bottom area is 49 cm in height
