Description

A delightful and highly decorative set of six coloured tinplate sports figures. As they have a kicking action we think they are possibly English or American footballers. If anyone knows we would love to hear from you! They would make a great display item if fixed to wood or paced in a display case or cabinet. Would suit a study, sports bar, man cave to name a few! A rare, interesting and collectable item just awaiting a new home! Circa 1910.
