Description

Now this really is a fabulous hostess bar cart. Original 1930's Art Deco chrome two-tier trolley. A tubular chromed frame makes up the skeletal body of the cart with thick oval glass inserts which are jet black with mirrored edging, very glamorous! All totally original to the 1930's and originates from England. These carts are very sturdy and a good size for modern day use either as a prop for your Deco collections or for entertaining your guests with drinks and snacks. The wheels work effortlessly and as they should, there are some minor mirror losses in small areas around the glass edge which is difficult to photograph, nothing unsightly but mentioned for accuracy.
