Description

If you admire the glamorous side of Art Deco then this piece maybe of interest to you. Originating from France and dating to the late 20's early 1930's is this exquisite silk lined ladies jewellery box is a pure delight. Covered in thick bevelled rose pink and clear mirroring, this box is much larger in size than normally found and exudes quality, certainly wasn't made for the mass market. It shows signs of age and in this case we feel it adds to the charm, it has silver foxing to some areas of the mirror and the interior lining is aged and slightly discoloured. If you're seeking perfection in condition then this isn't for you but if you're seek unadulterated luxury then look no further. FREE UK DELIVERY
