Description

A very decorative 19th century oak pediment with carved head surrounded by scrolls and fruit in the classical style. The carving is crisp, there is evidence that the pediment was painted at one stage in its life, this is only apparent on very close inspection. The pediment has a strong brass chain and is ready to hang. A good decorative item to add distinction to an entrance or hang over a doorway. c. 1890 Width: 32.5" 82.5 cm Height: 9.5" 24 cm
