Description

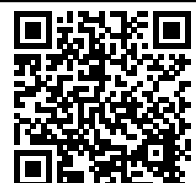

An excellent 18th century walnut tilt top lamp table raised on a gun barrel column and interesting tripod base. The colour and patina is particularly good and highlights the beautiful grain in the revolving top. The condition is very good, minimal evidence of historic woodworm, long dead, this has been treated again for peace of mind. An elegant Georgian table, ideal as a lamp or wine table, that would be easy to place in any room. c. 1790 Diameter: 21" 53 cm Height: 29.75" 75.5 cm
