Description

A beautiful mahogany chest of drawers of exceptionally large size, dating from the mid to late 19th Century. The drawers are graduated in size and each has its original turned knobs. The quality is superb and they are in very good condition. Each drawer is clean and tidy and opens smoothly. There are signs of age and use, a few minor marks and some small chips and scuffs on the sides and one lock has been replaced but generally they display well. The back is solid and clean, they have been cleaned and gently polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton and regular delivery trips to London for £70. Nationwide delivery available, please get in touch for an accurate quote.
