Description

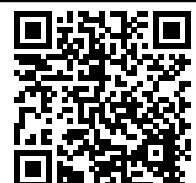

Incredible original condition, professionally serviced with 12 month warranty. Everything about this watch is original, the dial with the quick set date aperture is quite superb, it has not been retouched or restored. It has the calibre 564 fully automatic movement. It has the Constellation logo on the back of the case which is bright and crisp and it also has its original bracelet. The diameter is 34.5mm without the crown. It will fit a maximum wrist size of up to 7.75 inches and it can be supplied with a leather strap. It is very rare to find this watch in such amazing condition and much sought after by collectors. The watch has just been fully serviced and is guaranteed to be a genuine Omega in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly cleaned in a 3 stage ultrasonic cleaning process. The movement is then fully assembled using manufacturer approved oils and lubricants and ...
