Description

Antique French style Kingwood drinks cabinet with some stunning floral marquetry on the front section. It has a pull down flap which shows a fabulous interior with mirror strips on the back, shaped shelves & a peach mirror on the flap. There's also a light fitting, but that would need rewiring because of the age. Having said that, the light is not really that necessary. Please enlarge all the images & if you look closely, there is actually a butterfly inset next to the floral marquetry on the flap. There are gilt bronze mounts, trimmings, escutcheons & feet. The canted corners are also inlaid. This cabinet was very well made with fine attention to detail. It's in excellent original condition & I would date it to around the 1930's period. Width - 37 inches, 94 cm Depth - 17 inches, 43 cm Height - 46 inches, 118 cm
