Description

A beautiful Victorian pine (his n her's) Serpentine chest of drawers, with a large ornate gallery back stand. It has two small jewellery drawers on the surface, followed by six large drawers (3 on each side), the top drawers are serpentine shaped and have no handles, the other drawers have the original brass drop handles. Stood on the original attractive feet - all in good solid condition for its age. Would welcome an oval mirror on the top - please let us know if you would like us to source this for you. Currently in bare wood having recently been stripped. Can be purchased as it is for £925, waxed for £1050. It would also look very nice painted - please contact us for a quote for this service. The surface top is darker than the main body. If you would prefer to have it waxed, we can either bleach this to make lighter, or stain it to make the top a more uniform colour. Please contact us to discuss this further. Overall height: 74", base height: 36.5", width: 70.5", depth: 21"
