Description

A wonderful French Deux Corps made from solid Oak and dating to the mid 19th Century. I love the original ribbed glass so have left it in but its easily changed for clear glass. These pieces have a variety of uses from Bookcase to Dresser, Sideboard or Display Cabinet but I think this would make a wonderful Farmhouse Kitchen larder unit especially with this glass. As you can see its fitted with shelves and the drawers run smoothly. We have given it a very light bleach for a fresh look but can be waxed to any colour or shade if desired. In excellent condition for the home. Width 166 cm Depth 61 cm Height 237 cm
