Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 342 automatic bumper movement and the serial number dates this accurately, this is classed as a Mark 1 being one of the earliest of its kind. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring. The sub seconds dial has been fully restored so is in perfect condition. It measures 36.5mm in diameter excluding the winding crown making this an oversize case. It also has the Omega symbol on the winding crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. It comes with a mesh bracelet by German manufacturer Staib who are regarded as one of the finest available and virtually indestructable, it will fit a maximum wrist size of up to 7.75 inches. If you prefer a leather strap can be added. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the wo...
