Description

A good example of a large solid silver trumpet vase. It is stylish and good quality with a flared rim and slender tapering body with a circular foot and weighted base. It is clearly hallmarked for Page Keen & Page, 1917, London. Although assayed in London, it is also marked on the foot "Page Keen & Page, Plymouth" as this is where the company was based. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and one small dink (see photo) but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £6.
