Description

A lovely pair of solid Sterling Silver trumpet vases. They are stylish and good quality with a flared rim and slender tapering body with a circular foot and weighted base. They are each clearly hallmarked for London, 1917 although the maker's mark is a little too worn to distinguish. They are in good condition for their age. There are signs of age and use, some dents and dinks around the bases and light surface marks and there is a split in the silver on the side of one vase (see photo) but overall they display well. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask Tracked UK delivery £6.
