Description

A golden opportunity to buy a wonderful pair of 1930's Art Deco Wall lights. Originally these would have been fitted in a French cinema / theatre so what better way to preserve a little bit of history than to give these lights a new lease of life inside the home. Oblong in shape with marble effect milk colour glass shades. These lights would be absolutely perfect for bathrooms, home cinemas, hallways, office. Both are in super condition with just age related wear to the back plates.
