Description

A lovely set of 6 bentwood cafe chairs dating from the early 20th Century. They have round shaped seats with traditional curved backs. The chairs are a good size and are comfortable to sit in. The seats are approximately 18" (46cm) high and 16" (41cm) in diameter. The chairs themselves are 33" (84cm) high. They are in good condition for their age. There have been a few old repairs but the chairs are firm and the joints are strong. There are a few knocks and light scuffs around the legs and some wear to the finish on the seats and other areas but nothing detrimental. They have all been cleaned and lightly polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
