Description

Circa 1900 a heavy, well made ornate brass mirror with the original bevelled glass and original backing. It measures 36cm in length and 31cm across and it weighs 2.7kgs. It has a strong hook at the back (we used a longer one to take photographs). There is a tiny area of glass on the right hand side - see main photo - where the back has been damaged but the front is smooth and secure. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
