Description

An attractive, tall, French farmhouse dresser dating from the turn of the century. In good solid condition, recently stripped to the bare wood now ready for waxing or painting. The top section consists of a glazed cupboard, with two adjustable shelves inside. The cornice is decorative and eye-catching. The top has a wavy underside and bracket stands. The base has three small drawers, each with the original small wooden knobs, over a two-door cupboard with a shelf inside. Finally it stands on bracket feet, typical French design. Both sets of cupboard doors hang on the original external hinges, allowing them to open fully. A very useful feature when accessing. The top and base separate for delivery. Will look very nice waxed or painted - please contact us for a quote for painting. Can be purchased as it is for £850, £947 if you'd like us to wax it for you. Height: 81.5", base height: 35", width: 47", depth: 19"
