Date of manufacture: 1920

Description

A 1920s Marvin gold plated pocket watch. The watch has a nicely jewelled Swiss stem-winding movement which is working well. The movement has been identified as Marvin and is stamped Swiss made. The watch measures 44.8 mm diameter excluding the winding stem and the loop. The case is the gold plated and is stamped Orient. The case has light surface marking from use but overall it is in nice condition for a 1920s piece. The acrylic lens is in nice condition. The silvered dial is in its original finish and has some minor marking although in good condition for a 1920s piece. The watch has its original blued steel Breguet style hands. The watch will be sent in a new presentation box.
