Description

A fine example of these ever popular wall clocks. An 8 day HAC movement striking the half-hour and the hours. It has just been fully serviced by our BHI registered staff and carries our usual 12mth full parts and labour guarantee. The medium oak case is nicely polished with a deep, warm patina. The dial glass is convex and the glazing to the lower half of the case is bevel edged. Keeping perfect time and striking with a crisp clear tone. A little gem. All cards accepted.
