## Description

Gents 1963 Tissot Visodate Seastar wrist watch. The watch has a 17-jewel 782 hand-winding movement which is working nicely. The movement is fully signed and the serial number 6,282,744 dates it back to 1963. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is stainless steel and overall it is in good condition with just the odd minor mark, nothing serious at all. The case back is signed inside with the Tissot logo and it has the star logo to the outside. Original Tissot winding crown. The lens is in good condition. The signed dial is in its original finish with original hands, seconds sweep and an early form of quickset date where the hands are moved repeatedly backwards and forwards between half past midnight and 10pm until the desired date is reached. A new leather strap has been fitted. The watch comes in a new presentation box.
