Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the Geneve with the fully automatic calibre 562 movement. The two tone dial with date is quite superb having been fully restored. It has the Omega logo on the crown and a genuine Omega buckle. It is fully marked Omega on the dial, movement and case as you would expect. The case has been professionally cleaned and polished so it is absolutely pristine. The watch case measures 34mm in diameter not including the crown. This is a wonderful example and one of the most beautiful Omegas ever made. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then...
