Description

This is an incredible example of a vintage mens watch made by the premium Swiss make Omega. Its an extremely rare model 1950 bumper automatic chronometre, movement calibre 352, model reference 2516. The original dial quite superb, it has not been retouched or restored in any way. It has the Omega logo on the crown and remarkably it comes with its original box and original rose gold buckle. It looks as if its spent most of its life in the box and was rarely worn. It is fully marked Omega on the dial, movement and case as you would expect. The case has been professionally cleaned and polished so it is absolutely pristine. The watch case measures 34mm in diameter not including the crown. This is a wonderful example and one of the most beautiful Omegas ever made. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultra...
