Description

Circa 1910-1940 this is a slightly smaller marble lamp of the two we have in stock at present, in very good condition and weighing over 2kgs. It measures 36cm in height in total and 30cm to the top of the marble lamp, and the pedestal base is 10.5cm square. The lamp is in very good condition. It was rewired by the previous owner and should be PAT tested before use as our electricians are temporarily closed. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
