Description

A pair of unusual glass and brass lamps in very good condition. The centres are made of white glass flecked with gold (see photo 6) and they have a brass top and base. There are little balls between the top and bottom layer of each base, and every ball is attached individually. The lamps measure 45.5cm in height in total, and the bases are 13cm in diameter. The lamps were rewired by the previous owner and must be PAT tested before use. Postage and packing is included in the price for the UK mainland and for remote areas or abroad, please contact us for a delivery quote.
