Description

Very stylish comfortable pair of original 1930's Swedish Art Deco armchairs which have just come over from Sweden & been polished, plus re-upholstered in our regular cream natural cotton fabric. They have shell shaped partitioned backs with satin birch arms & legs. The seats are sprung & are quite soft to sit on & very comfortable. The curved shaped backs provide very good back support. While we have had & will have more fluted back Swedish Art Deco armchairs, this particular design are a one off.
