Description

STUNNING Large 19th Century Carved Oak Alter Piece with vaulted ceilings and trefoil tracery. There are an abundance of gothic spires and the whole roof is tiled quite a spectacular piece. There is a carved cartouche to the centre and behind this there are shamrocks and flowers carved as panelling. A true labour of love. Call or email me if you require any further information. Many thanks Karen 07866 475069
