Description

Omega pocket watch, 1964. The watch has a 15-jewel stem-winding movement, calibre 161, which is working nicely. The movement is signed with the Omega name and the serial number 21,955,246 dates it back to 1964. The movement is protected by an inner cover which has a couple of scratches. The watch measures 48mm diameter excluding the winding stem and the loop. The case is nickel. The front is in good condition. The back has a fairly shallow indentation and light surface marks. The inner case back has the Omega triangular logo. The lens is in good condition. The signed dial has Breguet style hands and numerals, a subsidiary seconds dial and an outer minute track with red 24 hour markers. The watch comes with a single chain, 22cm long. The watch and chain come in a new presentation box.
