Description

A fine solid gold band in very good vintage condition. Slightly rosy in colour, the ring is small in size but nicely hefty, with a fat rounded D-shaped profile which is comfortable to wear. The inside of the shank is pricked out with the letters AB and the date 5-1-59. The ring is not hallmarked but tested and guaranteed to be 22-carat gold. Size: H (UK), approx 4 (US), 4mm width. Weight: 6.5g - compare the weight with other rings, there's a lot of gold here!
