Price

Sold

Item Reference: SA728774

Date of manufacture: Georgian

Dimensions

Height = 14.5 cm (5.7")

Width = 8 cm (3.1")

Description

This pair of old Sheffield Plated goblets date to c1780 and have good clean lines. They have no makers mark, but have visible internal and external seams. These pieces are of particularly good heavy quality and sit well in the hand. In good condition - some copper bleed, especially to bases. One rim has a slight ripple. One goblet has a small ding to the body. Total weight approx. 736g. Height approx. 14.5cm. Diameter at rim approx. 8cm.
