Depth = 20 cm (7.9")

Description

~ French - Circa 1900 ~ ~~ Excellent condition, fully overhauled ~~ A beautiful original antique French Rococo clock set by Verger Freres of Paris and A. D. Mougin. It is finely modelled with a flamboyantly waisted case covered in C scrolls and entwined foliage. The candelabra are formed of twirling acanthus branches with 3 arms and are complete with original snuffers. The dial is porcelain enamel on copper with separate minute ring and finely fretted gilt brass hands. The rear door is glazed to allow the movement to be seen. The French movement is of high quality and is by A. D. Mougin. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is original. It runs for 8 days and strikes the hours and halves on a bell. Click the video clip to hear the bell and watch the clock running! Condition of the case is excellent, the original gilding is beautifully clean and bright with hardly any wear or discolouration. The dial is also in excellent condition just a faint hairline between the five and six. Candelabra are slightly distorted. Among many great jewellery houses, Verger Freres made magnificent objets d'art and jewels....
