Description

Circa 1890-1920 a beautiful oak coopered barrel with bronze bands in very good condition. The barrel measures 31cm in height and is 22cm across and there are no signs of damage or repair anywhere. The soft bronze colour of the bands compliments the yellow/brown of the oak and it is an attractive item. Postage and packing within the UK mainland only is included in the price and due to the size and weight, please contact us for a delivery quote if it is to be sent to outside areas of the UK or abroad.
