## Description

Regency C1825 Cuban mahogany drop leaf dining table. This is a lovely table, that is full of age, charm and character. Lovely patina and colour, with a magnificent 4-leg pedestal base and huge period brass cup castors. Very rare and attractive....breath taking top made from the finest mahogany. There is a drawer at both sides of the table (one may be later). The table is heavy, solid and has no loose joints or woodworm. Would look amazing in the right location!
