Description

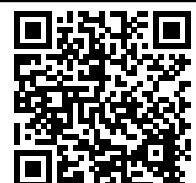

This little gem ticks all our boxes - we love the design, the size and the great combination of pale ash timber with green leather top. This beautiful writing table has one long frieze drawer and stands on four turned legs terminating with the original ceramic casters. The condition is very good, it stands well with no wobbles. The simple lines of this wonderful table make it easy to place in any interior, proving that good design is timeless. c. 1890 Width: 36" 91.5 cm Depth: 17.5" 44.5 cm Height: 29.5" 75 cm
