Description

Circa 1880-1910 A pair of fine quality bronze candlesticks decorated with grapes and vine leaves. The images have been lightened to show the details and decorative work, in reality the workmanship is clearly visible. The candlesticks measure 22cm in height, the base with three curved feet is approximately 10.5cm in diameter and the candle cup is 5cm in diameter. They take 2cm in diameter candles and both are in very good condition. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote.
