Description

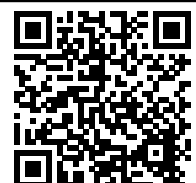

French Art Deco Gold Palm Leaf Table Lamp This is an exciting one-off piece, the lamp is not a very tall piece, but very attractive, the gold leaves of the palm tree hang out from the stem. I have shown the lamp with an Edison type bulb but would work well with a lamp shade to suit the rest of your decor. The lamp is in sound condition with an old gold crackle finish and the wiring is good and recent. The lamp is 20" tall and about 11" across.
