Description

A superb Georgian tilt-top table with a turned support set on tripod splayed legs and pad feet. It has a circular planked oak top with a wonderful patina. It has a lovely rich colour and is strong and sturdy with a good level top. The tilting mechanism is smooth with a strong catch. It is in good condition for its age. There are some minor signs of age and use, a few small surface marks and old repairs but nothing detrimental and there are no major damages. It has been gently polished and displays beautifully and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
