Description

Antique French Walnut Bobbin-Turned Nursing Chair or Side Chair (19th century) The construction of this characterful and unusual French nursing chair is mainly lathe-turned. This chair features a very tall back. Presented in very good condition with only very minor age-related marks, it would benefit from re-webbing to the seat pad. It comes with a Victorian hand-embroidered loose seat tapestry pad depicting birds and flora. Height: 135 cm Width: 50 cm Depth: 50 cm Seat height: 35 cm Circa: 19th century This piece is in our UK store Shipping will be £70 for delivery to an address in England.
