Depth = 75 cm (29.5")

Description

This is a very superior example of a 19thC mahogany desk with a classic and most appealing rounded corner, both front and back. The back is polished if you do not want to put against a wall. It is a superb size at 136cms wide and 75 deep, good working space. It is in really good condition and the leather is tooled black, no conflict with colour schemes, with the gold tooling, this is also excellent condition. The kneehole is a good size to get ones legs in at 62cms wide and 60 high. This desk comes into three for transport and for easy installation in your home. WE also have a a umber of desk chairs to go with this desk if required. Not to be missed this one at this very sensible price. Give us a call if you would like to discuss 01565 874075. Delivery can be arranged to most areas for around £70.
