Description

Large antique painted bronzed spelter bust of a Moorish man, nicely aged & in good original condition. I believe this piece dates to around the 1890-1910 period & I think it's possibly French. The details are really sharp & the mans face shows great character. It's very impressive with some lovely detail & nicely aged. It certainly looks like bronze, but I think it's probably spelter. Width - 14 inches, 36 cm Depth - 12 inches, 30 cm Height - 22 inches, 56 cm
