Description

Rene Lalique Opalescent Bacchantes vase C1927 Wonderful and Iconic original R Lalique Bacchantes vase with great deep opalescent colour. Condition - The rim has been damaged at some time in its life and a white metal rim has been added. The rim has not been removed but its obviously been added to disguise damage. There are some visible cracks showing under the rim (see the last 2 images) The base has also had some polishing. The vase displays very nicely and enables you to purchased this very special vase at a fraction of the price of a perfect one. Please examine the images carefully and email me with any questions you may have. Size 24.5 cm high. Introduced in 1927 Marcilhac book reference page 438 Model number 997

Internal Ref: 1740
