Item Reference: SA731949

Date of manufacture: 1900

Description

Interesting antique pocket watch with horse image. The watch has a stem-winding movement which is working nicely. It is all protected by an inner cover which has various details of the watch... Remontoir au Pendant (pendant winder) Échappement à Ancre (Swiss style lever escapement) Ligne droite (Straight line, it refers the arrangement of its essential parts in a straight line) 15 Joyaux (15 jewels) The watch measures 50mm diameter excluding the winding stem and the loop. The case is beautifully decorated and the hinged case back has an image of a horse with a whip or decorative sword. The watch glass has the odd small mark but nothing too noticeable at all. The dial is in lovely condition. Pin-set hands. The watch comes in a new presentation box.
