Date of manufacture: 18th Century

Dimensions

Height = 13 cm (5.1")

Width = 16 cm (6.3")

Depth = 0.4 cm (0.2")

Description

A late 18th century and untouched oil on panel depicting a landscape country scene with a gentleman fishing by a river. The painting is in the manner of John Constable who was well known for his small landscape oil sketches of country scenes, which he painted on millboard and walnut. This painting is painted on a walnut board and does require some restoration to the bottom left hand corner and could also do with a good clean as the surface is very dirty.
