Mahogany chest of drawers

Price

Sold**Item Reference: SA732430****Date of manufacture: 18th Century**

Dimensions

Height = 97 cm (38.2")

Width = 109 cm (42.9")

Depth = 53 cm (20.9")

Description

An 18th century solid mahogany chest of drawers circa 1780. It has original brass swan neck handles, bracket feet, has single piece mahogany sides and pine drawer linings. Although unusual with the three drawer configuration, we have another remarkably similar in the first and last photos which is listed separately. They make a very handsome near pair! This one is at the front in first photo and on the left in the last.

Internal Ref: 7936
