Description

This antique mahogany revolving drum table has some very nice designs & is of fine quality. It has a segmented & tooled inset leather top surface, with mahogany cross banding & a reeded top edge. There are four drawers with original brass drop handles & panels in-between. The top revolves on a turned baluster column, which also has a twist pattern on part of it. This sits on tripod legs with brass capped casters. This table has a lovely original finish & character look, so has been polished with a view of not spoiling that originality. It's George III style, in excellent condition & dates from around the 1920-30's period. Width – 28 inches, 71 cm Depth – 28 inches, 71 cm Height – 30 inches, 75 cm
