Fine George II period walnut side chair, probably of Irish origin; the shaped back with an openwork vase-shaped splat, decorated with carved foliate scrollwork. Circa 1745 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where, in normal times, we hold an Open Weekend every November.
