Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

A stunning and beautifully crafted pair of Art Deco diamond earrings. The earrings are formed in four articulated parts; at the top are the fish-hook wires, leading to a solid panel with triangular detailing and set with four eight-cut diamonds, to a stylised "V" featuring a further seven eights cut, and, at the base, with a larger, rubover set old cut diamond. Just wonderful. Accompanied by an independent jewellery report by IGR (#30309065). Cut – The larger two drops are old cuts, with eight-cuts in the main body of the earrings. Colour – F to H. Clarity – VS1 to SI1; all the stones are clean to the naked eye. Carat – The combined weight of the large diamonds at the bottom is approximately 0.62, with a total approximate carat weight of 0.95 carat. Circa – 1920. Measurements – Not including the hooks, the earrings are 22mm long and 9mm at the widest point. Metal – Platinum. Tested.
