Description

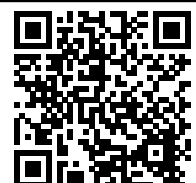

A Pair of French Carved Gothic Oak Bookcases. The upper section of the Bookcases have a glazed door enclosing 2 adjustable book shelves, these have an attractive carved front edge. The Tops have a large carved cornice and there is carving on the front with lion's masks at the top and fruits of the forest down each side. The carvings on the lower section of the bookcases repeat the fruits of the forest theme, they both have a drawer and on the door they have a geometric pattern with a lions mask at the centre. The Bookcases have solid backs, one of these has had an opening made in it, we will have this covered over otherwise they are in sound condition with only age related wear. The bookcases separate into 2 for transportation, they come with one key which operated 3 of the locks. The bookcases are 87" high, 38" wide and 22" deep, the Base section is 38" high.
