Description

A fine French 'Boulle' mantel clock of good size and proportions by Charles Vincenti. The twelve section cartouche dial showing Roman numerals, polished blued steel Hands and a Cast brass decorative bezel surround. The case is typical of Boulle work, after Andre-Charles Boulle and has a good level of detail with the sides also being fully decorated, standing on 'C' scroll bracket feet with a finial in the form of 'the basket of plenty' to decorate the top. Made in Paris around 1880-90 Stamped and numbered. It is worth remembering that all our clocks have had a full dismantle / overhaul unlike many others for sale online and carry a full 12 month Guarantee in writing, which adds to the value and longevity of this fine clock.

Internal Ref: Boulle
